Results-driven Statistics graduate with hands-on experience in **data entry, research, and quality assurance**. Skilled in **data analysis, reporting, and database management**, with a proven ability to ensure data accuracy and integrity. Proficient in **Excel, Power BI, SQL, and Python**, with strong analytical and problem-solving skills. Known for excellent communication, adaptability, and teamwork, with a passion for transforming raw data into actionable insights that drive organizational success.

SKILLS

- **Excel:** Pivot Tables, VLOOKUP, Charts, Data Cleaning
- **Power BI:** Dashboards, Data Visualization, DAX Functions
- **SQL:** Querying, Joins, Data Extraction
- **Python:** Pandas, NumPy, Data Cleaning & Analysis
- Critical Thinking & Problem Solving
- Team Collaboration & Cross-functional Support
- Adaptability in Fast-paced Environments

EXPERIENCE

UWINT DATA SOLUTIONS – DATA ENTRY ANALYST

NOV 2024 – PRESENT

- Entered, verified, and maintained **large datasets** with 98% accuracy, ensuring reliable information for analytics and reporting.
- Transcribed raw data from multiple sources into structured formats, improving **data accessibility for business intelligence**.
- Conducted routine data integrity checks, reducing errors and duplications by **15%**, which minimized rework and improved efficiency.
- Collaborated with analysts to prepare datasets for visualization and reporting, supporting **data-driven decision making**.

YABA COLLEGE OF TECHNOLOGY – RESEARCH ASSISTANT (IQA UNIT)

MAR 2023 – NOV 2024

- Supported **data collection, collation, and statistical analysis** for institutional self-evaluation and academic program reviews.
- Assisted in preparing and reviewing **quality assurance reports**, contributing to compliance with regulatory standards.

- Streamlined reporting processes, reducing documentation time by **20%** and improving efficiency in audits.
- Contributed to continuous improvement initiatives by analyzing feedback and supporting **evidence-based recommendations**.

EDUCATION

2025

HIGHER NATIONAL DIPLOMA IN STATISTICS,

YABA COLLEGE OF TECHNOLOGY

- Relevant Coursework: Markov Chain Analysis on Food Price Dynamics in Nigeria

CERTIFICATES

- **Data Analytics Job Simulation – Deloitte (2026)** Completed a practical simulation focused on data cleaning, dashboard creation, and presenting insights to stakeholders.
- **Data Analytics Nanodegree – ALX (2025)** Completed intensive training in data analytics, covering data cleaning, visualization, and business insights.
- **Professional Development Skills for the Digital Age – ALX (2025)** Gained skills in digital collaboration, adaptability, and communication for modern workplace environments.
- **Introduction to Data Analytics – Simplilearn (2022)** Learned fundamentals of data analytics, including data lifecycle, descriptive statistics, and visualization techniques.
